Company Information

CMC Building, Inc. an established HUB-Zone and Women Owned Certified Construction firm, is located within the Waccamaw Siouan Tribe in Bolton, NC with satellite offices in Wilmington, Durham, and Fayetteville, North Carolina and Beaufort, South Carolina.

Our company currently provides LEED certified design and construction solutions for new and existing facilities, as well as, historic preservation and maintenance services. We self-perform a variety of trades including Site-work, Civil, Metal Building Erection, Plumbing, Electrical, Masonry, Mechanical and HVAC. Our in house professionals include, Licensed Structural and Civil Engineers and Construction Management PMP's.

CMC Building's 28 years experience and outstanding past performances in the United States has granted us a vast sub-contractor network for larger projects and specialty trade driven task orders.
